- May 2: "Octavia" for K-1 @ Leed's
- May 4: KCCT testing ends
- May 7: NO SCHOOL for students

Let's Slam Dunk the CATS

I can't believe the school year is coming to an end. It seems like the school year has just started. As with every year, as the school year ends, the students are required to participate in the statewide KCCT assessment, formally known as CATS. This year, the testing cycle will begin on Monday, April 23rd and ends on Friday, May 4th. Students in third, fourth, and fifth grade will be taking assessments in reading,

math, science, social studies, arts & humanities, practical living, and on-demand writing. It is very important that students are in school everyday during this time. I would also encourage

students to get plenty of rest and eat a good breakfast. We are always happy to have them eat breakfast at school. Please schedule doctor appointments after

school or after the testing cycle. Even though we love our volunteers and encourage parental involvement, visitors and volunteers will not be allowed in classrooms during the testing period. I have great confidence that the students will make tremendous progress. They have been taught by some of the finest teachers in Clark County and have been working hard in their classrooms. I know they will shine in their performance on this assessments and continue making progress. They will slam dunk the CATS test!

Spring Festival Was a Huge Success!

With our boy's basketball team making it to the finals, we were a little hesitant to continue with the Spring Festival. However, it turned out to be very successful! Many thanks to everyone who volunteered to help work, brought in cakes, prizes, drinks, chips,

pennies, and many other donations! Also thanks to Fazoli's, Auto Parts, Sears, Kmart, and many other community businesses who supported the festival through donations!

Spring Break!!!

No School,

April 2-6, Enjoy your break and have some fun!

Fifth-Grade Promotion

I can't believe it is almost time to say good-bye to our fifth graders! On Thursday, May 24th, we will celebrate our fifth graders accomplishments. The program will begin at 8:30 in the gym. We would like to invite parents and family members for this special occasion. We will be serving refreshments following the program.

Update Student Information

If you have recently moved, changed phone numbers, or would like to add someone to your emergency information, please call or stop by our office to update your emergency information. We have had recent cases where the school could not contact families or parents wanted someone to pick up his/her child and the name was not on the list.

We Need Your Help!

Our outside area needs some spring cleaning! If you are available anytime to spruce up our school, it would truly be appreciated! We need leaves raked, weeds pulled, flowers planted, broken branches and trash picked up around the building. Help keep Fannie Bush looking springy and beautiful!

Community-Sponsored Field Trip

Our community partner, Central Bank, is sponsoring a field trip for our students in K-2. They are sending them to the Louisville Zoo on Thursday, May 17th. Students will get to enjoy the comforts of riding in a chartered bus and watching movies to and from the zoo. We are very excited about this

trip and are looking forward to it. Field trip forms are being sent home. Central Bank would appreciate a note or card of thanks for all their support this year and sponsoring this trip for students. Together, we can make a difference!

CHESS CLUB

Our Chess Team meets every Friday from 3:00-4:00 in the library. If you are interested in joining, please see Tiffany Banks for more details.

Take Me Out to the Ballgame!

The Third, Fourth, and Fifth graders will be going out to the ballgame! On Wednesday, May 9th, they will go see the Lexington Legends to cele-

brate Educational Days! They have their own boxed-office seats and will savor the flavor of the good ol' American hotdog! Let's Play Ball!

Phone Book Campaign

Our phone book drive was a huge success! We came in third place and received \$100 for our efforts. First place went to Shearer Elementary that collected over 5,000 phone books.
