## Giving Hearts

Who was St. Valentine? There are several legends that are centered around Valentine's Day and some have to do with someone falling in love and others have to do with a special Roman holiday. Whatever the legend is, it all centers around being kind and loving to others. It can be a time to spend quality time with your children making cards, handmade gifts, baking treats, and reading cards written

by others. I recently was visiting my mother and she shared with me some of the cards I had made for her when I was in

school. They were simple, but I can still remember how excited I was to give her the card. She has kept all the cards given to her by all ten of her children and we enjoy the time to reminisce. Someone once

told me that your children step on your feet when they are little, and step on your heart when they are older, but I think they touch your heart forever with a simple "I love you." Have a Happy Valentine's Day!

## Six More Weeks of Winter or Spring?

Will Punxsutawney Phil see his shadow on Friday, February 2nd? If he does, the snow will fly! For more info go to [www.groundhog.org/](http://www.groundhog.org/)

## History/Science Fair Family Night

On Tuesday, February 13th from 6:00-7:30, we will be celebrating our History/Science Fair Family Night. Students in 4th and 5th grade will have projects displayed that demonstrate knowledge acquired in history and science. We will have presenters from

"Lexington Explorium", 4-H, and the Health Department, to teach us something about science. Pizza from Little Caesars will be available. Please plan to come and explore the fun in learning!

No School, Monday, February 19, 2007 in honor of President's Day!

## Morning Arrival

Just a reminder that school does not open until 7:00am. Staff is not available to supervise students dropped off before 7:00. Students need to be dropped off at the back of the building by the gym doors. Also, school is dismissed at 2:40. If you cannot be here to pick up your child, please make arrangements with our after-school program to have your child supervised until you arrive. You can contact Kid's Karnival at 745-1905 for times and fees.

## Lunch Charges

It's that time again to get your lunch and breakfast charges paid up-to-date. Students cannot purchase snacks if they have charges. Students with account balances will be served peanut butter and crackers, until the charges are paid. Students also cannot bring soft drinks for lunch. For more information, please contact our cafeteria manager.

## Inclement Weather-Snow Days

If the weather is unusually severe and school must be cancelled for the day, notice will broadcast on WMJR (1380) in Winchester, K93 (92.9), WLAP (630), and WKQQ (101.5) in Lexington, between 5:30 and 7:00am. The announcement will also be made on TV stations channel 18, 27, 36, and 56. Please refer to the District's Elementary School Handbook for Emergency Snow Plans.

## St. Jude Math-A-Thon

The Fannie Bush families and friends can help save lives by sponsoring students in the St. Jude Math-A-Thon to benefit St. Jude Children's Research Hospital. The kick-off event is scheduled for Monday, February 12th. Students participating in the program help to raise funds for the world's premier

pediatric cancer research center. Funds help St. Jude in its ongoing fight against childhood catastrophic diseases like cancer, AIDS, sickle cell, and many others. Help support this cause by being a sponsor for one of our students.

## Spring T-Shirts

Show your spirit and pride of Fannie Bush, by ordering a school t-shirt. If you didn't get to order a school shirt back in the fall, we will have spring t-shirts available to purchase from February 20th to

March 9th. Forms will go home with students on the 20th. An assortment of colors will be available along with a display at the school, so you can view what they will look like.
