- Mar 27: Anansi the Spider assembly

Spring is in the Air

This is the time of year when life begins anew. With the coming of spring, we see new things being born and old things coming back to life. The trees will begin their cycle of budding and flowering, and flowers hidden beneath the cold ground will begin to grow and bloom. In several classrooms we have the life cycle of a chicken being developed. Students can observe how the egg is

changing and watch as new baby chicks emerge from their shells. It is an exciting time of year when we celebrate the arrival of spring! As the

season begins to change, the school year is slowly coming to an end. We only have about 12 weeks of school left and we are still watching your children grow in learning and understanding. Help your child grow by ask-

ing him/her about the school day, check for homework, and address concerns with the teacher. It has been a great year thus far at Fannie Bush! Let's finish the year just as great and help us to grow by working together to educate all children.

"Erin go Bragh!"

March 17 is St. Patrick's Day! "Erin go Bragh" is the Irish saying for "Ireland Forever". On St. Patty's Day, everyone is a little Irish!

Spring Festival Friday, March 23rd

It's that time again for Spring Festival! This year, the festival is scheduled for Friday, March 23rd from 5:00-8:00. We need your HELP! We need volunteers to organize baskets, work booths, donate cakes, setting up and cleaning up, getting do-

nations for auction items, and many more things. If you are interested in helping, please contact our PTO President, Jamie Renner, at 749-2063. Plan to bring your family and have fun!

Time Changes:

Sunday, March 11! Set your clocks one hour ahead!

Some Things Need to Stay at Home

It is a district and school policy that toys, cell phones, CD players, GameBoys, or any other items that interfere with the educational learning environment are to stay at home. Students caught with items can have them confiscated until the end of the school year. It is best to keep things at home. Also, students may not wear "Heelies" to school. 'Heelies' are the shoes with wheels. They pose a danger to the school environment.

"And the Winners Are"

We have had some great winners in several areas to represent Fannie Bush. The Science Fair winners were Rayna Cross and Dakota Spencer. History Fair winners were Matt Bain and Anna Reffitt. These students represented our school at the district on February 20th during the Board of

Spring T-Shirts

You still have time to order a Fannie Bush Elementary Spring t-shirt. Orders are still being taken until Friday, March 9th. For more information, please contact the school office.

Fannie Bush Jr. Historical Society

Kenneth Banks, our Chess Club coordinator, will be organizing the Fannie Bush Jr. Historical Society. Students in 3rd/4th grade interested in history, taking field trips, and learning about Kentucky should join the club. More information will be coming your way. So get ready to EXPLORE!

Education meeting. On February 28th, Kaytlynn Williams and Dalton Stanfield were our Spelling Bee representatives at the County Extension office. Congratulations to all these students! We are very proud of them!

Group Pictures

Group classroom pictures are available to purchase in the school office. Pictures are available for \$8.00 each until March 9th.

Getting Ready for "CATS"

It is getting closer to the Kentucky Core Content Testing accountability period. This year, all schools will be testing from April 23 thru May 4. It is very important that your child is in school during that time. Please schedule all doctor appointments either before or after those dates. Classes will not be allowed to be interrupted during the testing period. It's the time for your child to shine!

CHESS CLUB

Our Chess Team meets every Friday from 3:00-4:00 in the library. If you are interested in joining, please see Tiffany Banks for more details.

Phone Book Campaign

Congratulations to Mrs. Warren's 5th grade class. They collected over 900 phone books and will be receiving a pizza party for all their hard work. Thanks to everyone for helping!
